

Register to vote

Virginia has important elections in 2025. You can register to vote and make your voice heard. Here is how you register to vote:

1

Register online at ProtectThe.Vote/Register or scan the QR code. If you need a paper application form sent to you, email info@lwv.va.org or call 804-214-6312. You can also register at public libraries, DMV locations, and your local registrar's office.

2

Complete your voter registration application with your current information and address. Return it in-person or by mail to the local registration office or the address printed on the form.

3

Once processed, you should receive an information card or other correspondence confirming your registration status. If you do not receive one, contact your local registrar's office.

If you have questions, experience problems, or need more information, call the nonpartisan Election Protection Hotline for assistance:
