

Vote early

Virginia has important elections in 2025. You can vote safely and securely before election day by early voting. Here is how you can vote early this year:

1

Any voter can vote early. Find your county or city's early voting locations at ProtectThe.Vote/Early or scan the QR code.

2

Make a plan to vote at an early voting site near you that works with your schedule. The last day to vote early is November 1, 2025.

3

Go to your chosen early voting location, cast your ballot, and make your voice heard this year.

If you have questions, experience problems, or need more information, call the nonpartisan Election Protection Hotline for assistance:
